

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JANUARY 4, 2005

Re-evaluating and maintaining adequate levels of security in our jails is a prime concern of this Board.

The contract before the Board proposes 16 additional positions within the Sheriff's Department, fully reimbursed by the State, in order to assist the State Board of Prison Terms in their efforts to comply with the recent *Valdivia* settlement which calls for increased parole hearings. All parties, including officials from the State, agree that the staffing levels proposed by the Sheriff are preliminary assessments based on limited information. The Sheriff will be monitoring the adequacy of the 16 additional positions once the hearings have begun and as more data becomes available.

I, THEREFORE, MOVE that the Board of Supervisors request the Sheriff to provide the Board with an update every three months for the next six months of their evaluation of the adequacy of the 16 additional positions contracted for by the State in order for the State Board of Prison Terms to comply with the *Valdivia* settlement.
